## Conditional Fields (mandatory only if certain conditions are met)

Number	Field	Condition(s)
21.	Unique Consignment Reference Number	This field must be provided by Fast Parcel Operators. It is optional for other modes of transport.
22.	Carrier	This field must be completed if the carrier is different from the person lodging the ENS.
23.	Notify party	This field must be provided where this information is available.
24.	Conveyance reference number	This field is not applicable for RoRo, where the intended ferry company name should be included (if known).
25.	Number of pieces	This field must be provided if pieces are unpackaged.
26.	Container number	This field must be provided where containers are being moved. In particular this must be provided for Maritime Containers and Unaccompanied RoRo (where it should be Trailer Number).
27.	Shipping marks and numbers of packages	This field must be completed for all packaged goods, and should include information and descriptions that will enable the identification of individual packages.
28.	UN Dangerous Goods Code	This field must be provided where relevant.

## Optional Fields

- 29. Commodity code
- 30. Total number of packages
- 31. Number of items
- 32. Other specific circumstances indicator
- 33. Special mentions
- 34. Signature and authentication
- 35. Declaration place
- 36. Nationality of active means of transport crossing the border
- 37. Office of subsequent entry
